Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Examiner called the attorney of record, Farzad E. Amini (Reg. 42,261), on August 02, 2006 regarding the abandonment for the application 10/750013, as no response appeared to have been received after sending of the first office action six month ago (January 04, 2006). Further discussion, over the telephone, between the examiner's SPE, Fritz Fleming, and the attorney's assistant, Margaux Rodriguez, clarified that in accordance to MPEP 711.03(c), the application would be abandoned by operation of law if USPTO does not receive a response after six month the previous office action was send, further more, it appears that there is no evidence regarding the reception of the response (i.e. postcard receipt from the USPTO). The applicant can petition regarding the abandonment in accordance to the MPEP 711.03(c).
